Flashback of MENA ICT Forum 2022

Meet The Organizer

SUMMARY

The **MENA ICT Forum 2024** is the premier biennial event for the information and communication technology (ICT) industry in the Middle East and North Africa (MENA) region. Since its inception in 2002, under the esteemed patronage of His Majesty King Abdullah II Ibn Al Hussein, the forum has become a significant platform for decision-makers from the private ICT sector, government, and academia to network, share insights, and explore emerging technologies. The 2024 edition promises to be a dynamic technology and networking event, connecting regional and global participants to discuss and shape the future of ICT.
